About Your M&M Roofing, Siding, & Windows Service Professional

Travis is a native Texan, whose love for the San Antonio began when he first visited when he was 6. Between the Alamo, the Riverwalk, and the amazing food, how could he not?

Travis' history with M&M started when he was in high school. That's when he first met Doug Moncure, the owner of M&M. Travis started working in the office in June 2004, while finishing up his finance degree at the University of Houston. He decided to stay on to help homeowners improve and protect their homes once he graduated. In that time, he has served thousands of homeowners throughout Texas and Louisiana, helping to protect and enhance the appearance of their homes. Providing guidance and quality work is what he is here for. After all, his nickname is "The Texan Roofer".

For several years, he was the area manager of the Beaumont & Lake Charles offices, and today is the area manager for our San Antonio branch.

Not only does M&M Roofing, Siding, & Windows hold several industry certifications (GAF Master Elite Contractor, Certainteed ShingleMaster Contractor, Owens Corning Preferred Contractor, James Hardie Elite Preferred Remodeler, Mastic Preferred Contractor, etc), but Travis himself has personally has been recognized by GAF, Certainteed as a Master Shingle Applicator-Wizard (yes, there is such a thing), and Simonton Windows as a Preferred Installer.

All this makes Travis "The Texan Roofer" Diekmann the resource to trust when it comes to guidance to protect and enjoy your home.

Referral Rewards Program

It's quite simple. Here's how it works:

Send your referrals to M&M Roofing, Siding, & Windows by text (832-606-9503) or email (info@mmroofsiding.com). It is important that you send their name, address, email address, cell phone number, and what service they are requiring so that we are able reach them and set an appointment. Also, send us your own contact information so that we can add you as their referral contact, as well as your address for us to send you the referral check!

We will contact your referral, and when our representative meets with them, confirms the home improvement service that is needed, and provides them a free, no obligation proposal for their project, we will send you **\$50!**

That's not all! When you refer us, make sure to tell them some of the things that you like most about our company, because if they use us for their project, once the project is completed and paid in full, we will send you an additional **bonus!**

Just how much can you earn?

Under \$1000	\$25
\$1000-\$4999	\$50
\$5000-\$9999	\$100
\$10,000-\$14,999	\$150
\$15,000-\$19,999	\$200
\$20,000-\$25,000+	\$250

And that's on top of the **\$50** for the appointment!

Remember, our service areas include **Houston, San Antonio, Austin, Beaumont, Lake Charles, Lafayette**, and all points in between, so make certain that you refer anyone you know in those areas. Also, don't forget to reach out to us about your own home improvement projects as well!

The sooner we schedule to see your referral, the sooner we can send you the rewards that you deserve, so start participating and sending us your referrals **today!**

Having the **STRONGEST** referral program in the home improvement industry is just one more example of how **M&M Roofing, Siding, & Windows** is...

A Different Kind of Contractor

The M&M Roofing, Siding, & Windows Referral Rewards Program runs April 13th, 2020 to December 31st, 2020. Program is only valid for new appointments set between April 13th, 2020 and December 31st, 2020, and projects completed and paid in full by March 31st, 2021.

Program is valid on the 1st service for the newly referred client. For subsequent services, client will be regarded as a previous client and rewards will not be offered.

Before we start your new roof, the material will be delivered to your job site. We will need to know where to place the shingles, as the pallet will take up about a full car length in your driveway. Details are important to us as we do not want to block access to your driveway. The delivery will be made by our supplier and can arrive as early as 7:30 AM to 8:00 PM. *It will not be necessary for you to be home for this delivery!*

The start date of your installation will depend on two factors. **First: The weather conditions and second, completion of the previous job by your assigned crew.**

You are not required to be at home while your roof is being installed.

Your pet can affect the start of your new roof. Your pet loves you and will protect your home from strangers. Please inform us if you have an outside pet so that we can work out details so no one will be inconvenienced. Owners of an aggressive pet sometimes prefer to be at home to prevent problems. Please confirm your start date with us prior to taking time off from work.

Depending on the shingles that you ordered, you will notice several “bundles” or large packages that will be labeled differently. This is not a mistake. There are specific shingles we use for the starter course. It is nailed around the perimeter of the roof and acts as a protective seal against water. The ridge cap shingles are also packaged in different bundles.

If you have breakable knickknacks and items on shelves, please “roof proof” your home by removing them. The walls tend to vibrate from the hammering and your valuables could break. Crystals from the chandelier can be protected by placing a thick towel under the fixture. Pictures, china on shelves, decorative plates on ledges or walls, glass mirrors, antique clocks and heirlooms are just some of the items you will need to consider protecting.
